Dear Dr Kuhn

I have completed the questionnaire re films I have seen in the 1930s to the best of my ability. However I feel that they do not represent exactly what I remember or films I liked etc.

A friend of mine in Norfolk has kept a record of all the films she saw (many with me) since 1935 & also has a lot of photos etc that she collected of her favourite stars—If you are interested she would be pleased for you to have them.

Yours sincerely

Ida E B Jarron
