Dear Valentina Bold

Thank you for your letter of 8<sup>th</sup> February. My friend has now sent her photographs & a diary—the latter she would liked returned. She has also made a list of all the films she saw in the Thirties.

I lived in Norfolk then—in fact we were and still are great friends & I saw most of the films with her. Reading her list brought back many memories.

Your questionnaire was difficult to answer as there were many films and stars I could not include.

I am most interested in your project and would be most interested to hear the outcome.

Do you have copies of the thirties films. I would love to see some of the ones listed. I am addicted to “oldies” and always watch them on T.V.

Yours sincerely

Ida Jarron

P.S. My friend lives in Gorleston-on-Sea and her address is:-
