Dear Mrs Jarron,

Thank you so much for passing on the fascinating items from your friend, Miss Gowing. They offer real insights into cinemagoing in the 1930s and are immensely useful to our research. It was most kind of you to help us in this way and we do appreciate your interest in our project.

Unfortunately, we don't have copies of all the films listed with the questionnaire; like yourself, we watch them when they're shown on television but have found many of them difficult to obtain.

We'll certainly keep you updated about developments in our research; I'm enclosing an information sheet about the project and hope this will be useful.

With all best wishes

Yours sincerely

Valentina Bold
