Dear Annette,

Please find enclosed the diaries that my aunt, Kathleen Ruth Southworth, wrote in the 1930s. Sadly, I only have six of her diaries from that decade: 1932, 1933, 1934, 1937, 1938 and 1939.

If I find references to her cinema visits in my grandparent's diaries for the missing years, I will let you know.

I have been through my aunt's diaries and have marked the pages with references to cinema.

Wishing you all the best for your fascinating project,

Kind Regards,

Margaret R Marks
