ACC/2007/02: Ernest William Bell Collection

Description

Dates: Mostly early 20th century

Extent: c.570 78 RPM records in a wooden cabinet

Scope and Content: Collection of 78rpm records collected by Ernest William Bell.

History: The collection was donated to the Library by the family of Ernest William Bell in 2007. The donation was given to the Library on the condition that the records would remain as a collection and be stored in a cabinet provided by the family.

Conditions on access: A record player is required to access the items in the collection. The collection can be accessed by appointment in the Archives Research Centre. Request for access must be made at least one week in advance to ensure we are able to book your place and retrieve the requested material ahead of your visit. Please contact us on library@lancaster.ac.uk. Alternatively, you can write to: Special Collections and Archives, Lancaster University Library, Bailrigg, Lancaster, Lancashire. LA1 4YH.

Conditions on Use: We do not have the current facilities to create surrogate copies of the records in the collection.

Notes: This list was produced by Katie Waring, Special Collections and Archives Manager on 01/07/2024.
