

As a member of the Morecambe Bay Curriculum (MBC), you will receive the following benefits:

- A regular newsletter full of opportunities and resources
- Access to the Open Learning Moodle: an online hub for the MBC where you will be able to join group discussions, access resources and share your own resources with the wider MBC community
- Invites to help grow the MBC through working groups, networking opportunities and MBC projects
- Access to free or subsidised events and CPD opportunities
- A license to use the Morecambe Bay Curriculum logo in school and on your website
- Showcase your work by submitting stories of the work you are doing with children and young people, to be featured on the [MBC website](#) as an example of best practice
- As the project continues to develop we hope to offer more exciting opportunities and resources

In turn, we ask that all MBC Education members:

- Are committed to promoting Morecambe Bay, sustainability, health, community and economic wellbeing for young people and the wider community
- Have someone from your organisation attend at least one Morecambe Bay Curriculum CPD event or working group every year
- Share resources that have been developed in your organisation on the Open Learning Moodle for other Educational members to use where you feel comfortable
- Commit to filling in our short annual review form or have a short call with the MBC team
- Commit to care-taking the MBC brand, including using the logo according to the brand guidelines and licensing agreement

As the project continues to grow and develop we may update the membership guidelines above.
