

ANNUAL PROGRAMME REVIEW

APPENDIX: STAFFING FOR THE PROGRAMME

This appendix provides a note on the current staffing position for the programme(s). It is updated on an annual basis for inclusion in the Annual Programme Review (APR) report for the programme(s). A report on any staff changes which have occurred over the course of the year, or are planned for the future, is included in the main body of the APR report.

The Programme Leader notifies Programme Consultants separately of staffing changes to the programme and provides him/her with the CVs of replacement staff.
