Notes

- Users of the Accessible Parking spaces at the Sports Centre car parks must clearly display a valid Blue Badge or University Accessible Parking Permit **and** a valid ticket from the parking meter.
- Parent and child space users must have one or more infants or children with them using the car for the visit **and** display a valid ticket from the parking meter.
- Parking is permitted in the coach parking bay to the east of the Sports Centre buildings (also part of Car Park L(a), provided that the area is not closed off (e.g. with cones, barriers or measures to that effect) for coach parking.
- Coaches can park free of charge in the coach parking bay. The area will be reserved for coaches when they are expected to visit, to prevent unauthorised car parking.
- On occasion when events are held at the Sports Centre outside of the normal opening hours stated in this policy, free parking will be available with no time limit imposed. Under such circumstances, it will also not be necessary to obtain a ticket from the parking meter.
