Your Global Experience

Enhance your studies, boost your self-confidence and immerse yourself in the culture of another country as part of our exciting opportunities to study overseas.

Other opportunities abroad

There are other options for students who are not on the Study Abroad programme, e.g. shorter travel options during the summer holidays. For more information, please visit www.lancaster.ac.uk/study/global-experiences/

We also hope to maintain and have a number of new opportunities for short study placements across Europe and beyond. These opportunities, which you would be able to sign up for, will be announced as they become available.

Study Abroad

All of our degree schemes offer you the opportunity to broaden your academic horizons by spending your third year studying abroad in either North America or Australia. You'll study similar modules to those available in Lancaster, but the year abroad will also provide you with an understanding of a different culture and society.

Our Study Abroad degrees

- Biology
- Ecology and Conservation
- Earth and Environmental Science
- Environmental Science
- Geography
- Human Geography
- Physical Geography
- Zoology

How to apply

If you think you might like to study abroad, you should apply for one of our Study Abroad degrees when you make your application through UCAS. If you later change your mind and no longer wish to partake in the study abroad scheme you can easily transfer onto the standard degree after you start your 1st year studies here in Lancaster.w

Fees and funding

Details about the costs of Study Abroad, which can be used as a guideline, can be found at: www.lancaster.ac.uk/study-abroad/costs/

Student support

It is important to us that we help you make informed decisions about where to study and provide support whilst you are abroad, so that you fully benefit from the experience. In addition to having a dedicated advisor, who will help you decide where to go and what to study, you'll also have the opportunity to network with students who have previously studied abroad and who are able to provide you with a wealth of practical tips. Additionally, our Global Experiences Office is on hand to help you with application forms and the financial and legal aspects of studying abroad.
