What is Lancaster Access Programme?

Lancaster Access Programme (LAP) is an exciting opportunity allowing you to develop skills to help your school/college studies, attend informative events and enhance your application to progress to university in the future.

LAP gives you the opportunity to take part in a range of activities, events and experiences including campus residentials, workshops, study skills and masterclasses. You will have access to a dedicated online Lancaster University Moodle platform allowing you to sign up to events, access a range of dedicated resources and receive support from Lancaster University staff and current students.

Who is Lancaster Access programme for?

LAP is open to students in Years 9-13 who are interested in studying at Lancaster University in the future. In order to be eligible, you will need to meet both our academic and widening participation criteria. Further details about these can be found online.

What are the benefits of LAP?

LAP will provide a fantastic opportunity to take part in a variety of exciting experiences alongside your studies and if you successfully complete all aspects of the programme, you will be **eligible for a lower offer** should you choose to apply to Lancaster University in the future.

Additional Information

The Lancaster Access Programme is free to participate in and the Outreach and Student Success team work closely with your school or college to ensure you make the most of the programme.
